- Switch tabs to **search other databases** than Nichibunken's OPAC.
- > Open Access...Search Nichibunken's repository (including Nichibunken publications).
- >Univ...Search for other universities' holdings with "NACSIS-CAT"
- >NDL...Search for holdings of the National Diet Library or public libraries in Japan.
- >Cross Search...Search all of the tabs above at once.

## Services for members only

- You can check your status of borrowing/reservations/requests and borrowing history.
- •Bookmark ....You can save the results of your search.
- •My Search ....You can register search terms.
- •Search Alert ... If you register search conditions, you can get an email alert about new items that match the conditions.
- ·ILL Copy/Loan Request, Purchase Request, Reserving borrowed items
  - ...You can make requests via OPAC's User Service. \*Available service differs depending on your status.

## **Tips for search**

- $\odot\,$  Try different search terms when you cannot get enough search results.
  - Decrease the number of search terms.
    (e.g. "Japan festival history" → "Japan festival")
    Try hiragana, not kanji. \*when you search in Japanese
    (e.g. "民族学 入門" → "みんぞくがく にゅうもん")
    Put a space between the last name and first name
    (e.g. "新井白石" → "新井 白石")
  - ・Use original spellings. (e.g. "ケンペル"  $\rightarrow$  "Kaempfer")
